2024

About Us

Enjoy your festive celebration at Mall Galleries, a modern and spacious venue located in Central London, a short walk from Charing Cross and Piccadilly Circus.

Managed by the Federation of British Artists, Mall Galleries is a visual arts charity founded in 1961 with an aim to empower artists through a not-for-profit programme of exhibitions and events, prizes and awards, with a focus on figurative art.

Based within the cultural heart of London's thriving arts and heritage district on The Mall, you can expect to find a beautifully curated exhibition as the captivating backdrop for your event.

Mall Galleries has a capacity for up to 350 standing guests and 150 seated round table and is entirely flexible in terms of dressing the space to your requirements

To ensure the highest quality service and culinary experience, we ask that all clients utilise one of our 10 caterers when hiring Mall Galleries – you'll find the perfect caterer for your event from our diverse selection.

What's On | Winter 2024

The following exhibitions will provide the backdrop to your festive event:

November

Our three gallery spaces are taken over by the ING Discerning Eye. This Annual Exhibition is a show of small scale works independently selected by six prominent figures from different areas of the art world. A chance to see some new works of art by artists you may not have heard of yet.

December

You will be in the festive heart of the Royal Institute of Oil Painters exhibition. This showcases the work of many of the UK's most exciting young painters. A perfect opportunity to feast your eyes on oil paintings.

All works of art are for sale.
